

How to: Upload and Sell a Pre-Recorded Lesson or Tutorial on Skillective

Step1: Login to your Skillective account

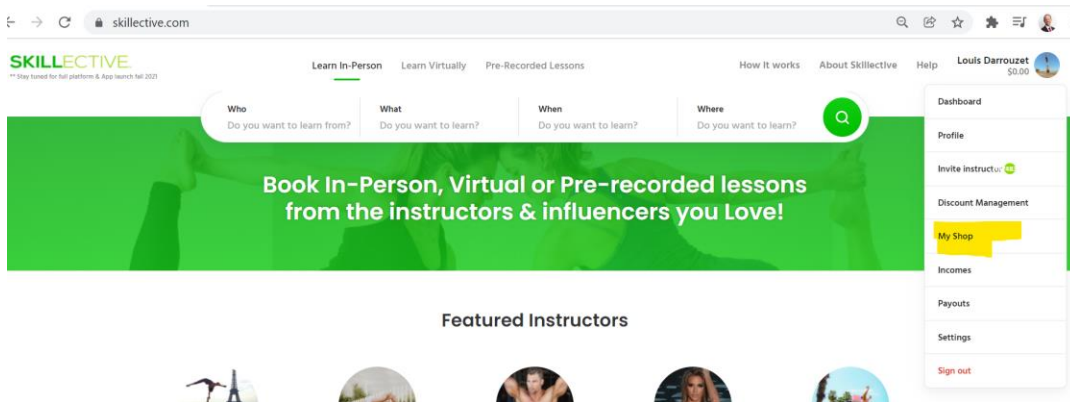

After logging in, make sure you have the following in place:

- 1) A Profile Picture
- 2) Media in your Profile Gallery
- 3) Payouts Account set up in Settings (your Bank Account for you to get paid)

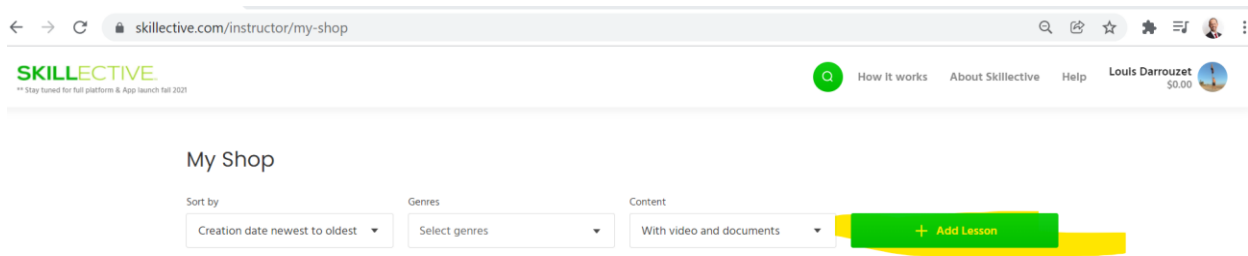

Step 2: Click on your Profile Picture

Step 3: Click on My Shop in the dropdown

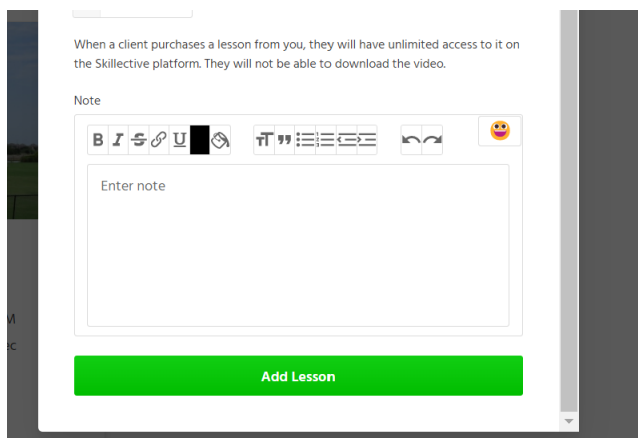

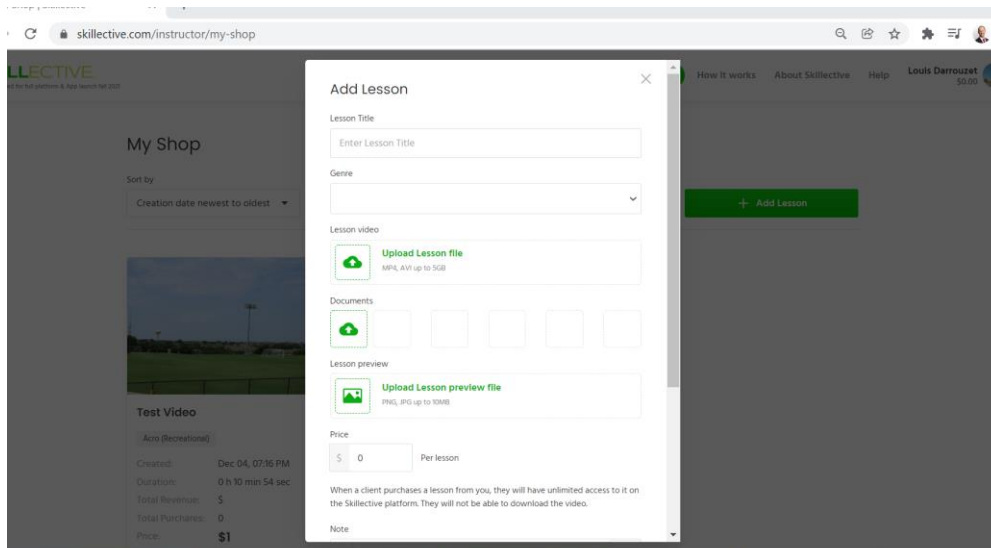

Step 4: Click on the +Add Lesson Button

Step 5: Fill out the Information for your Pre-recorded Lesson.

- 1) Give the lesson a title
- 2) Select the genre for the lesson
- 3) Upload your video in MP4 or AVI format (up to 5GB)
- 4) Add a PDF document with instructions or extra info if needed
- 5) Upload a lesson preview image (Thumbnail)
- 6) Set a price for the Lesson (must be \$0.99 or greater)
- 7) Add the lesson description or breakdown in the note section
- 8) Once the video has uploaded and is done processing. Click Done

Step 6: Now the Lesson is live and access to the video can be purchased by clients:
